NACAA Leadership Academy Launched

NEW FOR 2024...

The Leadership and Administrative Skills committee launched the Leadership Academy in March 2023 with a vision to grow and develop leadership skills amongst our members. The course includes a group project in which participants develop a short leadership presentation/program on a topic of their choice to present at AMPIC 2024. This is a year-long course that meets once a month for 3 hours.

Applications due May 15, 2023

NEED \$1500?

The deadline to apply for a NACAA scholarship is fast approaching. If you have never applied for a scholarship, you may be eligible for a scholarship award of up to \$1,500 this year! [Read more HERE!](#)

A few things to consider...

Have you been in good standing with your state association for two years?

Are you 'vested' at either the \$100 or \$200 contribution level in the NACAA Scholarship Program?

Login to NACAA website and scroll down to "View my Contributions" to determine if you are vested! This is also where you will start the application process!

WEBSITE

The NACAA is your professional Extension organization. Together, we all make Extension and agriculture stronger. Membership is a great way to be connected to your peers and to develop professionally, and a great way to do that is with a state website...

Does your state association have a working website? If not, please consider creating an active website...
