

BOBWHITE QUAIL

HISTORY, BIOLOGY, AND PRACTICAL MANAGEMENT FOR SC LANDOWNERS

Photo Credit: Tall Timbers Research Station

www.clemson.edu/extension/forestry

Join biologists from:

- SCDNR,
- Clemson Extension &
- USDA NRCS

as they spend the day discussing and showcasing management of the Bobwhite Quail.

SAME WORKSHOP, 3 LOCATIONS

Time: 9:00AM-4:00PM

Dates & Locations

May 8 | Pee Dee REC

2200 Pocket Road
Florence, SC 29506

May 21 | CF Evans

Construction Company

125 Regional Pkwy Suite 200,
Orangeburg, SC 29118

May 31 | National Wild

Turkey Federation

770 Augusta Rd
Edgefield, SC 29824

Participants will interact directly with biologists as they discuss the natural history, biology and management of bobwhites and other members of the grassland bird guild.

Classroom sessions will include:

- biology, history, population trends,
- various habitat management practices,
- predator control,
- and conservation efforts.

Costs \$25.00/person.

Lunch provided.

Register online at:

<https://quailsc.eventbrite.com>

The afternoon sessions will be held in the field with topics including:

- Equipment (selection, safety, and operation),
- Native plant identification and wildlife value, and
- Overview of management practices on the property.
