

# K-State Calving School

**Thursday, January 23, 2020**  
**6:00 pm – 9:00 pm**

K-State Polytechnic Campus  
College Center Conference Room  
2310 Centennial - Salina, KS

***This program will outline overall calving management and increase knowledge, practical skills, and your number of live calves raised.***

## Featured Presenters:

- Dr. AJ Tarpoff, DVM – K-State Extension Beef Veterinarian
- Shawn Ryan - MULTIMIN USA Technical Sales Representative (KS / NE)
- Cade Rensink – Central Kansas Extension District Livestock Production Agent
- Brett Melton – River Valley Extension District Livestock Production Agent

## Topics:

- Stages of the normal calving process and tips to handle difficult calving situations
- When and how to intervene to assist cows and young heifers
- Demonstrate proper use of calving equipment on a life-size cow and calf model
- Environmental considerations for cow/calf health and performance

## Meal sponsored by:
