Red Cedar Demonstration Farm 2019 Fall Field Day program recap

Menomonie, Wis – The Dunn County Soil and Water Health Partnership hosted a fall field day on Wednesday, September 25, 2019 at the Red Cedar Demonstration Farm (RCDF), located near the intersection of Hwy 12/29 East and Stokke Parkway, Menomonie, WI.

The workshop was held from 12:30 pm – 3:30 pm at the RCDF farm fields. Topics and speakers will focus on cover crops and included:

- Interseeding cover crops at various growth stages – *Jason Cavadini, Agronomist, UW Marshfield Agricultural Research Station*

- Update on Nitrogen Use Efficiency Project – *Kevan Klingberg, UW Discovery Farms Program*

- Precision Ag for profitability – *Scott Stipetich, Farm Bill Biologist, Pheasants Forever*
