

# Red Cedar Demonstration Farm

## 2019 Fall Cover Crops Field Day

DATE: Wednesday, September 25, 2019

TIME: 12:30 PM – 3:30 PM (Rain or Shine)

LOCATION: Red Cedar Demonstration Farm, near Hwy 12/29 East and Stokke Parkway, Menomonie, WI

### Workshop Sponsors:

Extension

UNIVERSITY OF WISCONSIN-MADISON  
DUNN COUNTY

Are you interested in cover crops and the benefits that they may provide?

Please join us for a field day to discuss:

- Interseeding cover crops at various corn growth stages – *Jason Cavadini, Agronomist, UW Marshfield Agricultural Research Station*
- Update on Nitrogen Use Efficiency project – *Kevan Klingberg, UW Discovery Farms Program*
- Precision Ag for profitability- *Scott Stipetich, Farm Bill Biologist, Pheasants Forever*
- Maintaining soil fertility for profitably and soil health– *Carrie Laboski, Professor and Extension Soil Scientist at University of Wisconsin-Madison*
- Water Hemp & Herbicide Use – *Tryston Beyrer, WinField Agronomist & Dunn County Farmer*
- On-farm education at Red Cedar Demonstration Farm - *CVTC Agronomy Management Student Panel*

**Directions:** The Red Cedar Demonstration Farm is located on the east side of Menomonie near the intersection of Hwy 12/29 and Stokke Parkway. The tent will be near the Dunn County Transit Commission building (640 Stokke Parkway, Menomonie, WI 54751).

Refreshments will be provided by Compeer Financial.

3 Certified Crop Adviser (CCA) Continuing Education Units (CEUs) have been applied for this field day.

Please register by September 20th to ensure handouts.

Contact **Katie Wantoch**, Extension Dunn County Agriculture Agent, email [katie.wantoch@wisc.edu](mailto:katie.wantoch@wisc.edu) or phone 715-232-1636 with questions.
