

Red Cedar Demonstration Farm

2018 Fall Cover Crops Field Day

DATE: Wednesday, September 26, 2018

TIME: 12:30 PM – 3:30 PM (Rain or Shine)

LOCATION: Red Cedar Demonstration Farm, near Hwy 12/29 East and Stokke Parkway, Menomonie, WI

Workshop Sponsors:

Are you interested in cover crops and the benefits that they may provide?

Please join us for a field day to discuss:

- Matching cover crop seed varieties with soil types – *Dave Balko, Elk Mound Seed*
- Maintaining soil fertility for profitably and soil health– *Carrie Laboski, Professor and Extension Soil Scientist at University of Wisconsin-Madison*
- Insect concerns and management in crops and cover crops– *Justin Travis, Countryside Cooperative*
- Changes to soil profiles in Dunn County – *Tim Miland, NRCS Area Resource Soil Scientist*
- Nitrogen Use Efficiency project – *Kevan Klingberg, UW-Extension Discovery Farms Program*

Directions: The Red Cedar Demonstration Farm is located on the east side of Menomonie near the intersection of Hwy 12/29 and Stokke Parkway. The tent will be near the Dunn County Transit Commission building (640 Stokke Parkway, Menomonie, WI 54751).

Refreshments will be provided by Compeer Financial.

2.5 Certified Crop Adviser (CCA) Continuing Education Units (CEUs) have been approved for this field day.

Please register by September 21nd to ensure handouts. Contact **Katie Wantoch**, UW-Extension Dunn County Agriculture Agent, email katie.wantoch@ces.uwex.edu or phone 715-232-1636 with questions.

Information is also available on the UW-Extension Dunn County website - <https://dunn.uwex.edu/agriculture/red-cedar-demonstration-farm/>
