Expanding Presentation Opportunities in 2018

NACAA members will have approximately 24 more presentation slots available at the 2018 NACAA Annual Meeting and Professional Improvement Conference (AM/PIC) in Chattanooga. After careful study and realignment of the Wednesday morning schedule almost an hour and one-half and six additional breakout rooms are being made available prior to the brown bag luncheons. In response to past AM/PIC evaluations and member needs, this change accomplishes two goals. First, it provides members with additional presentation opportunities at a professional meeting which aids their documentation for promotion and tenure. Secondly, the schedule change helps when multiple interesting presentations are occurring at the same time. Members will now have more presentations from which to choose to attend. The Tuesday schedule of presentations remains the same as past years.

The NACAA council chairs, committee chairs and vice-chairs are working diligently to plan for the additional presentations. The challenge will now be on NACAA members to apply for and submit abstracts in the various programs to provide more presentations. The success of the schedule change will be reviewed carefully to determine whether it is continued at future AM/PICs. Knowing more slots are available, hopefully even more members will be encouraged to submit to present in 2018.

The schedule change also shortens the Wednesday morning general session. Members will definitely want to attend the Monday and Wednesday morning general sessions. The keynote speaker and the Hall of Fame award presentations on Monday morning along with the other parts of the program will be very educational and inspiring. The Wednesday morning session will include the presentation of the Service to American/World Agriculture. Comments from past recipients of the award have been very highly received.

These changes and program plans are just a few of the details being worked on by the NACAA board, committees and the Tennessee members to ensure a top notch NACAA AM/PIC. Please take advantage of the many awards programs (communication, posters, etc.) and the presentation opportunities offered by your professional association in this edition of the County Agent. Your involvement not only improves your abilities, it aids other members as they learn of successful programs and ideas from their fellow members.
What Being a Life Member Means to Me

Paul H. Craig, NACAA Life member, 2016

The PA County Agents Song goes like this (in the key of C):

“We are, we are, we are, we are,
The County Agents bunch
We are, we are, we are, we are,
the crowd that has the punch”

Many of my friends from PACAA and others from across this great nation, who attended the Galaxy Conference in Pittsburgh or the AM/PIC in Charleston, SC, should hopefully remember singing this traditional song. This song was written in 1915 by some of the earliest County Agents in PA. Imagine that. Over a hundred years ago. Boy would I like to sit down and tell stories with those men. (I’d say men and women however in 1915 there would not have been any female ag agents.) Today, traditionally at most statewide PACAA meetings this song is sung robustly, often led by someone standing precariously on a table or chair. Most recently it has been accompanied by a mandolin. The smiles on the faces of members say it all.

For me belonging to an association was as much for the fellowship and companionship as the other membership opportunities such as program recognition, leadership, etc. When I was hired in Washington County, PA in 1979 there were 3 ag agents, 2 4-H and 2 FCS agents on staff. Imagine that?? We had quite a team and would travel as a group to statewide annual meetings and such. We became more than coworkers. We became special friends because of the time spent together. In this job in Extension I learned, from the County Agent, Mr. Ed Woods, the value of teamwork of county agents and how working together provides so many career and personal opportunities. Ed was part of regional groups of agents in the SW corner of PA who worked and played together. If it was a wool pool round up or a district livestock or dairy show or fall hunting camp these men welcomed me into their circle and I was a better agent because of it. (Ed also told me to always sign up for the Hospitality Committee, but that is another story.)

In PA, like many other states, annually efforts are made to provide opportunities for active and retired Extension workers to meet and visit. These might be a regional or statewide association meeting with an invitation to life members to join. Or a luncheon meeting or a bar-be-que. A wonderful time is had by all. Stories and updates about family or trips or other old acquaintances are shared. Recently I learned about a group of County Agents from PA in the 50’s and 60’s that were called “Yellow Dogs”. But that’s another story for another time.
Another great tradition in PA that helps to build “family” was started 47 years ago. This is the publication and distribution of a booklet about retirees from PSU College of Ag and Cooperative Extension. The Epsilon Sigma Phi Retirement Committee solicits brief yearly updates from all Extension retirees and publishes a booklet with annual updates. This year the booklet was 47 pages of updates. All of these extra efforts help to maintain the special feeling of family and identity between current and former members of “The County Agent Bunch”.

I suppose that family feeling is why I so value my Life Membership in NACAA. During my 36 years in Extension I have made so many friends and have had so many experiences from across Pennsylvania and the USA. My wife, Carol and I still enjoy traveling and attending the AM/PIC’s. The times spent visiting and swapping stories, the together times with some of the finest folks I know makes it all worthwhile to me. And it is not just other Life Members that I enjoy being around. The younger agents help keep me excited about Agriculture in the 21st Century. Wow! Robots, drones, 300 bushel corn and 100 bushel beans, Oh My!!

What does your association do for your Life Members?? Just think someday you, hopefully, will be a Life Member. Then you, too, will have the occasion to share your experiences as a life member if you continue to participate in activities. Paying the one time lifemembership fee is one thing that your state association can do. Another action would be to maintain contact with these retired men and women. The days of retirees not having a computer and email address is rapidly ending. Simply having an email list of your life members is one task your state membership chair should maintain. You can then easily invite them to local, regional or statewide activities.

Life Membership in NACAA is provided for any former member of NACAA who has retired or is retiring from Cooperative Extension by completing an application. There is a one-time $50.00 lifetime membership fee which is frequently paid by your state association. If not, an individual may pay this fee.

Lifetime membership does not include a subscription to The County Agent magazine. However a subscription may be purchased: 1 year- $10.00, 5 years - $45.00, or lifetime - $100.00. If a Life Member contributes $50.00 to the Educational Foundation a free one year subscription is provided or if you contribute $1,000 you qualify for a lifetime subscription to the magazine or a free registration to the next AM/PIC. Contact Scott Hawbaker for additional information. All contributions must be made prior to April 1.

Our association has a long and storied history. If you would like to find out more about the early years check out the History book and power point presentation available on the NACAA website. I would also encourage you to maintain/strengthen contacts with your state life members. They will welcome the opportunity and will have many experiences to share with you. They will also like to hear some of your experiences. Today’s Extension is certainly different than only a few years ago. However, the men and women who belong to the National Association of County Agricultural Agents are just as dedicated and proud to be part of “the County Agent bunch”!

We are, we are, we are, we are a handsome looking crowd
We don’t believe in boasting, in fact it’s not allowed.
But if your cow gets dopey
And falls off at the pail
We’ll put her on her feet again by twisting on her tail.

Chorus:
Hallelujah, keep more livestock
Hallelujah, more manure
Hallelujah, balanced rations
All farms must pay more.
The County Agent Song

APPLYING FOR 2018 NACAA AWARDS PROGRAMS

The General Application process is found on-line at http://nacaa.com/awards/ and for the majority of the awards listed in this publication, on-line applications are mandatory.

Note: 1) NACAA policy states that all first place national winners and all national finalists must register and attend the AM/PIC to receive their award. (See below under “Attendance Requirement”).

All program entries must be in possession of respective committee state chair by March 15, 2018, except where noted. Applying earlier is encouraged.

Current members of the NACAA Board may not enter the professional improvement programs with the exceptions of DSA and AA. State chairs, regional vice chairs, and national chairs may participate in the programs which their committees are administrating according to criteria determined by the NACAA Board of Directors. Contact NACAA Vice President Gene McAvoy for further details.

Attendance Requirement

NACAA policy states that all Achievement Award (AA), Distinguished Service Award (DSA), National Finalists, National Winners, and Poster Session Presenters must register for the NACAA Annual Meeting and Professional Improvement Conference and attend the designated ceremony to receive their award (minimum 1 day registration fee). Decisions on requests for non-attendance and excused absences will be made on a case by case basis by consultation among the respective National Committee Chair, in concert with the National Committee Vice Chairs and the NACAA Vice President. Excuses may be granted to AA, DSA, National Finalists, and National Winners for extreme personal or family illness; circumstances which would seriously jeopardize their job; or similar extreme situations. The intent of this requirement is that awards are inclusive of cash, plaques, and certificates.

In the event a national winner does not receive an excused absence from attending the AM/PIC, the national winner’s award will be presented to the next ranking National Finalist who attends the AM/PIC. If none of the National Finalists attend the AM/PIC, a national winner award will not be presented.

In the event a national finalist does not receive an excused absence from attending the AM/PIC, the national finalist award will be forfeited. If a national finalist award is forfeited, there will be no replacement from lower ranking entries.

Note: The National Winner who is asked to make a program presentation at the AM/PIC is eligible for a reimbursement of the AM/PIC registration fee. In case of a team presentation, the value will equal one registration.

On-line Resources for Completing Award Applications

Are you unfamiliar on how to apply for awards or presentations on-line? If you're needing assistance with this process - please refer to a newly created "Quick-Start Guide" which can be found at:

There is not a separate "Quick-Start" guide for Presentations - but the process is fairly similar to the Award process listed above. To submit a presentation you can easily begin that process by going to:

http://www.nacaa.com/presentations/presentation.php

For Award submissions, once you have completed the award application on-line, an automatic email will be sent to your State Chair responsible for reviewing your application. If for some reason you don't have a State Chair assigned from your respective state, an email notification will be sent to your State President notifying that a State Chair has not been identified in the system, and one will need to be assigned.

State Chairs are responsible for selecting “State Winners” in order for your award application to continue the review process at the Regional and National level.

If at any time throughout the award submission process you have questions or concerns, please don't hesitate to contact NACAA at nacaaemail@aol.com or by calling 217-794-3700 for assistance. The National office has the ability to review what you have entered and help identify what the problem may be with your submission.

Search for Excellence in Livestock Production

TURNING A PROFIT WITH BEEF CATTLE

Covington, C.*1
1 Area Livestock Agent, Mississippi State University, Port Gibson, MS, 39150

The purpose of this educational program was to increase the individual profitability of the cow/calf producers in Mississippi. I accomplished this task by working with beef producers in identifying their effective production practices, diagnosing their inefficiencies in production, and prescribing corrective measures to ensure their maximum profitability through the optimum utilization of their farm resources. In order to achieve the overall goal of profitability, several smaller goals needed to be met. I utilized multiple program activities and teaching methods, recognizing that different producers learn in different ways. These educational activities included 129 newsletter/circular letters, 131 newspaper articles, and 135 group activities that reached 1,725 producers over the past three years. The producers participating in the program indicated the value of the information they gained from these educational activities in the form of savings or increased profits to their operations at over $7.5 million. However, the increase in knowledge by these producers is a much more valuable indicator of its true success and effectiveness.

OPEN COMMITTEE CHAIR AND VICE CHAIR POSITIONS 2018 - 2020

When you read through the Special Edition of The County Agent, it is obvious that committee work and related activities is the essence of what it takes to achieve NACAA’s mission. Historically NACAA has been fortunate to have committed, hard working members fill those leadership positions. This year as every year there is an opportunity for members to expand and share their leadership and professional improvement skills by applying for committee positions that are open. Becoming active in the NACAA committee structure will provide you with a wealth of both professional and personal growth. Give serious consideration to any of the state and national committee positions that are available.

Application/nominations will be available on the NACAA web site shortly after January 1, 2018 and will be due no later than March 1, 2018. Appointments will be made at the Spring Board Meeting.
