

# Igniting Skills Through Campfire Cooking

## Jesse Bocksnick

AR 4-H Outdoor Skills Instructor  
University of Arkansas  
jbocksnick@uada.edu

## Creenna Bocksnick

AR 4-H Camping Coordinator  
University of Arkansas  
cbocksnick@uada.edu

### Program History:

The Campfire Cooking Contest was added to the AR 4-H competitive lineup in 2023 following multiple agent in service trainings. This contest was added to allow youth to show off the skills they have developed in several program areas - camping, public speaking, food safety and prep, etc.

### Target Audience: Youth Ages 8-19

- Junior - Ages 8-13
- Senior - Ages 14-19
- Individuals or Teams of 2

### Program Goals:

- Build culinary skills
- Reinforce fire and food safety
- Develop communication, leadership, and teamwork
- Encourage time management and creativity

### Contest Outlie:

- Dish announced 1 month before contest
- 2 hours to cook
- Present dish to judges
- Scored on safety, creativity, taste, presentation
