July 6-9, 2021

Welcome to the 106th Annual Meeting and Professional Improvement Conference

National Association of County Agricultural Agents

J. Craig Williams
President

Welcome to the 2021 Virtual Philadelphia!

Welcome to the North East and our 106th NACAA Annual Meeting and Professional Improvement Conference. We are excited you have chosen to join us virtually to showcase NACAA and its members. The collection of all the NE state members along with the NACAA Board and committees have put together 4 filled days with lots of professional development opportunities.

Please search around the MS Teams platform, Join the Channel rooms, Chat with fellow members, and participate in all that is on the other side of your computer screen. We have virtual tours, exhibitor interactions, Morning Coffee Chat. And everyone get to eat what ever they want!

We are glad you are here!

SHANE CONFECTIONARY AMERICAS OLDEST CANDY STORE

We will learn how Shane Confectionery which was established in 1863 in downtown Philadelphia has survived for a century and a half. Year after year, customers line up at Christmas time and Easter to purchase from Shane's Mabel Brown who was known for crafting the best candies. The Shane name was always known to be trustworthy and reliable even as the world was changing drastically around them. While other candy companies had submitted to the easier path of using pre-made formulas or manufacturing candies with robot technology.

Shane Confectionery has insisted that all their candies be hand-crafted.

YUENGLING AMERICA'S OLDEST BREWERY

The Yuengling Brewery was established in 1829 in Pottsville, Pennsylvania. The D.G. Yuengling & Son, Inc. brewery is now owned and operated by Richard (Dick) Yuengling, Jr. who is the fifth-generation owner. Dick's four daughters and sixth generation, Wendy Yuengling, Jennifer Yuengling, Debbie Yuengling Ferhat, and Sheryl Yuengling are all members of the Yuengling staff. We will learn how the brewery has survived since 1829 as a family brewery while many other US breweries have not.

4:00 p.m. - PA DUTCH: PEOPLE, HISTORY AND CULTURE

5:00 p.m. Douglas J. Madenford, M.Ed, (1980-) was born and raised on his family farm in northern Berks County, PA. As a child, he spent a lot of time with both sets of his grandparents, who were native Pennsylvania Dutch speakers. This experience influenced his future academic and personal pursuits. He is currently a German and History instructor in the Keystone Central School District. He has authored multiple books about the PA Dutch language, culture, and history. He also hosts a very successful YouTube channel that focuses on all things PA Dutch.

WEDNESDAY, JULY 7 - THURSDAY, JULY 8

This presentation will highlight the history of the Pennsylvania Dutch people, their culture, and their history. Special attention will be paid to how and why our culture and language have survived for over 300+ years in the United States.

NACAA is pleased to announce that Jennie Schmidt, MS, RD will be our Capstone speaker for the 2021 NACAA AM/PIC on July 9th, 2021.

Jennie Schmidt, MS, RD

Jennie will share with us Her story of farming on the eastern shore of Maryland and balancing farm / family and international commodity group time.

Jennie Schmidt is part of Schmidt Farms Inc in Sudlersville, Maryland. Together with her brother in law, manage a 3rd generation family farm growing grains, vegetables, and wine grapes on the Eastern Shore of Maryland. When she's not on a tractor, Jennie is a state and national agriculture leader having served as the first female board member and first female president of the Maryland Grain Producers Utilization Board, and currently serves as the Maryland delegate to the U.S. Grains Council and on the nominating committee of the National Corn Growers Association. She is a national and international speaker telling the story of food and farming.

FRIDAY, JULY 9

She is passionate about connecting people with food and farming, emphasizing the importance of global food access and the importance of sustainability in our food supply. Jennie whose first career was as a Registered Dietitian, holds a BS in Human Nutrition and International Agriculture from UMASS and an MS degree from the University of Delaware in Human Nutrition with a focus on Food and Agricultural Biotechnology. Dietitian turned Farmer, Notill farmer of corn/ soybeans/ green beans/processing tomatoes/wine grapes and the Past President of the Maryland Grain Producers Utilization board.
