

PLAN OF WORK

LIFE MEMBERS COMMITTEE 2018-2019

- Encourage State Associations to invite their life members to their association events and activities that take place during the year, and to also invite them to appropriate extension programs that may be of interest.
- Work with the NACAA Vice President to assure plans for the Life Member program at AM/PIC are moving forward and to keep the NACAA Board informed of Life Member Committee activities.
- Continue to attend the NACAA AMPIC post-Board meeting each year to report on Life member plans, activities and offer assistance when needed.
- Continue to work with the Executive Director, Secretary, Regional Directors and State Presidents to insure **each state has a Life Member Chair with up-to-date contact information including e-mail address and/or phone number.**
- Encourage State Life Member Chairs/Presidents to assist the Executive Director in keeping each state's Life Member list up to date.
- NACAA Life Member Committee Regional Vice Chairs will work with the State Life Member Chairs/Presidents to gather names of Life Members who passed away since the last AMPIC meeting for the Memorial Service held at the Life Member Business Meeting.
- Have copies available of the "In Remembrance" handout in the Life Member Hospitality room at next year's AMPIC.
- Encourage Host State Life Member Chair to recruit life members to assist with registration, meeting functions, hospitality room, tours, etc. at the 2019 AM/PIC.
- Work with NACAA Executive Director to continue to include articles concerning life members in each The County Agent edition. The goal is to have an article published from each region each year.
- Ask NACAA Board for approval to include a one page fact sheet on Life Members into next year's registration materials handed out at Ft. Wayne, IN. Fact sheet will be written by Life Member Committee. Also, ask to include 4 slides on Life Members into video presentation at the General Session.
- Encourage State Associations to pay Life Member dues (\$50.00) when an active member retires.
- With the Life Member page on the NACAA website now established, work with the NACAA Executive Director to improve its content and keep it updated with appropriate items.
- Encourage State Associations to use life members from their state as a resource for 'educating' decision makers concerning Cooperative Extension Service needs.
- Work with NACAA President-Elect and Executive Director to help seek a sponsor if needed for the Life Member Program at the 2019 AM/PIC.
