## A TEXAS FAREWELL!

*On behalf of the Texas County Agricultural Agents Association, it was a true honor being the host state for the National Association of County Agricultural Agents (NACAA) National Meeting 2024. Texas was thrilled to extend a warm Texan welcome to all attendees across the nation. We truly hope you enjoyed the rich Texas agricultural heritage, vibrant culture, camaraderie, and renowned hospitality.*

*In collaboration with the Texas County Agents Association (TCAAA) and Texas A&M AgriLife Extension, the NACAA National Meeting 2024 provided a unique opportunity to engage and network with local agricultural experts and extension professionals. From innovative research projects to hands-on demonstrations, Texas county agents and AgriLife Extension specialists were eager to share their knowledge and expertise with fellow attendees.*

*Whether you were a first timer or active member of the NACAA, we hope you enjoyed the many opportunities to network with agents/sponsors, increase and refine your knowledge, and grow effectively as a professional. In addition, achievements were celebrated, relationships were built, and memories were made that will last a lifetime!*

*We truly THANK YOU for joining us in the Lone Star State of Texas! We would also like to thank all of the individuals and sponsors that were a part of making this year's conference a great success. May you all have safe travels home and come back soon!*
